

CELEBRATE YOUR DREAMS

FINCA SERENA

★★★★★
MALLORCA

At Finca Serena, a luxury, five-star resort in the heart of Mallorca, you'll find a place that can pull together a wide range of high-level events from large-scale weddings to intimate family get-togethers, fashion shoots and advertising campaigns, team building and year-end business meetings.

Set within a glorious 40-hectares of Mediterranean countryside where vineyards, olive groves, and fields of lavender frame bucolic views over the Pla de Mallorca (the central plains), the settings – both indoor and outdoor – are simply breath-taking.

We pride ourselves on creating an atmosphere where everyone feels completely at home and the hosts can relax. Detail-orientated with a long experience of organising events on the island, our expert team can help put together an event that goes above and beyond expectations, while ensuring its seamless execution on the day.
